Small Change for a Big Difference

Help, in the form of a magazine, is available for homeless people who seek a better existence than the uncertain lives they lead on the streets. The Big Issue is one of the first magazines of its kind and its main concern is to provide income and better chances to those who are homeless or at risk of homelessness. It is sold exclusively by homeless people, who get to keep 80 pence out of the 1.50 pounds that they sell the magazine for.

This prized magazine, which offers entertainment as well as the latest news developments, was started by John Bird and Gordon Roddick in 1991. Worried about the enormous number of people living on the streets of London, the two businessmen decided to do something about it. The idea for the magazine arose when Roddick went to New York and came across a newspaper that was sold by homeless people there.

Originally, the magazine came out monthly, and was distributed around London. Yet, such was its success, that two years after its first publication, The Big Issue started coming out once a week. Not only that, but shortly later it became available in other areas of England, as well as Scotland and Wales. Today, along with the five local editions that go out to most parts of the UK, the magazine also enjoys international status.

The quality of the magazine is very high, as its pages are filled with informative and entertaining articles written by expert reporters. There is also a section where homeless people have their stories and articles published. Not only this, but respected celebrities such as David Beckham and Sir Paul McCartney have at times contributed their thoughts and ideas to the pages of The Big Issue.

The increasing number of homeless people who were willing to participate in the sale of the magazine gave rise to another great idea. In 1995 The Big Issue Foundation was set up. This is a charity organization, but it is not one that sees the homeless as beggars in need of a few pounds. In the organisation's own words, they are there to help homeless people "off the streets and into a life, that is, training, education, accommodation and transformation.
