9. Think about your ideal school and write a description of it. Use the adverbs of frequency in the box and the questions and prompts to help you. Write about 50 words. (20 marks)

always never often sometimes usually

Green School, Bali

The Green School is in Bali, Indonesia. It's in the middle of a beautiful forest and it hasn't got any walls! The students come from many different countries. They often work in places outside the classroom, for example, the school gardens or the forest.

River Plate School, Buenos Aires

River Plate School is in Buenos Aires, Argentina. It's a school in a football stadium! Students study many different subjects, but football is a big part of school life. All the students at River Plate love football and many students want to be footballers. It's their dream!

Door Step School, Mumbai

The Door Step School is in the city of Mumbai in India, but it is difficult for some children to travel to school. For these children, there is a school bus. It comes to their homes. Inside the bus, there is a classroom with a teacher, a whiteboard and a TV. Children get on the bus and have lessons.
