

Access

The screenshot shows the Microsoft Access application window. The title bar indicates the database file path. The ribbon at the top includes 'Archivo', 'Inicio', 'Crear', 'Datos externos', 'Herramientas de base de datos', 'Ayuda', 'Campos de la tabla', and 'Tabla'. The 'Campos de la tabla' ribbon is active, showing options for adding, deleting, and modifying fields. The 'Tabla' ribbon shows options for field properties, data type, format, and validation. The left sidebar shows the 'Todos los...' pane with a search bar and a list of tables. The main area displays a table with columns 'Id' and 'Haga clic para agregar'. The status bar at the bottom shows 'Vista Hoja de datos', 'Registros: 1 de 1', and a search bar. Below the screenshot, several labels are provided with arrows pointing to specific parts of the interface:

- OBJETOS (points to the 'Todos los...' pane)
- CAMPOS (points to the 'Campos de la tabla' ribbon)
- REGISTROS (points to the 'Registros: 1 de 1' status bar)
- BARRA TÍTULO (points to the title bar)
- CINTA DE OPCIONES (points to the ribbon)
- BARRA DE ESTADO (points to the status bar)
- BÚSQUEDA (points to the search bar in the status bar)
- VISTAS (points to the 'Vista Hoja de datos' status bar)
