Diego is a friendly boy, 11 years old. He lives with his family in a cozy house. His mother is small but very close-knit.

Diego's father is Mr. Torres, a hardworking man who loves gardening. Diego's mother is Mrs. Fonseca, a kind woman who enjoys cooking delicious meals for the family. Diego has a sister named Vale, two years older than him and a student at the university. Vale is smart and helps Diego with his homework.

Diego's best friend is Lore, who is just 10 years old and loves playing with action dolls. Diego often spends time with Lore, teaching her new things.

Diego loves his family very much. Every Sunday, they have a picnic day where they go to the park or have a picnic. During his school days, Mr. Torres teaches Diego and Lore how to fly kites, and Mrs. Fonseca prepares tasty snacks.

Diego says, "I am lucky to have such a wonderful family. My father, mother, and sister mean everything to me. We do many fun things together, and we love them all very much."

And that's how Diego introduces his family – a loving and close-knit family who enjoys spending time together.
