But he told me …!

Ex. 1 – Write one true (T) and one false (F) answer to each question.

1. Where are you going tonight? T _____; F _____.
2. What's your favourite fruit? T _____; F _____.
3. What languages can you speak? T _____; F _____.
4. What are you doing tomorrow? T _____; F _____.
5. Who are you going to meet next weekend? T _____; F _____.
6. Where will you go on holiday? T _____; F _____.

Ex. 2 – Now interview your classmates. Write their names on the top of the chart and make notes of their answers. When you are interviewed, give a mixture of true and false answers.

Question		
1. Where are you going tonight?		
2. What's your favourite fruit?		
3. What languages can you speak?		
4. What are you doing tomorrow?		
5. Who are you going to meet next weekend?		
6. Where will you go on holiday?		

Ex. 3 – Compare the answers. Did your classmates tell the truth?
