

Present Perfect vs Past Simple

Put the verbs in brackets into the Past Simple or the Present Perfect Tense.

Dear Angela,

I (**just to find**) a few minutes to write to you about my rest in the summer camp. I (**to be**) here for five days already. Our group (**to arrive**) at the camp last Friday and we (**to have**) busy days since then. I (**to meet**) a lot of new friends here. On Sunday we (**to go**) boating on the lake. It (**to be**) fun! I (**not to go**) boating for two years and my friend (**never to do**) it before. So our boat (**to turn**) upside down and we (**to get**) completely wet. It's luck we can swim! But our small adventure (**not to make**) us upset. I (**already to learn**) some new songs. A boy from our group (**to teach**) me to sing them a few days ago. And yesterday we ... (**to go**) on an excursion to an ancient castle. It (**to be**) a very exciting trip! I (**already to prepare**) a souvenir for you. But sorry, I have not much time. We are going to have a football match.

See you soon,

Nigel.
