

B1-03: Adverbials

Time Adverbials are expressions or phrases that work like an adverb so they give more information about the time of the activity mentioned.

Common adverbials start with: while ____, when ____, before ____, after ____, as soon as ____,

Use of "after_" and "before_"

Before goes with the *latest* activity

After goes with the *earliest* activity

Example:

1: He gets up **after** he sleeps.

= **After** he sleeps, he gets up.

2: He ate **after** he cooked.

= **After** he cooked, he ate.

3: She studied **before** she took the exam.

= **Before** she took the exam, she studied.

4: She did her homework **before** she presented it to the teacher.

= **Before** she presented her homework, she did it.

1: Choose the best adverbial.
