Report from the director of the West Twyford Town Planning Committee

The last year has been a busy one for the West Twyford Town Planning Committee. Outlined below are a few of the areas we have concentrated on.

1. Applications for 1..... permission from home owners who want to develop their properties have increased by 50 per cent. However, many of these homes are historic buildings and have 2..... orders which prevent them from being altered externally. At present, we can only allow owners to 3..... the inside of their homes (including installing central heating and improved wall insulation).
2. Last summer we invited several 4..... to design plans for the new council offices on Peach Street. We eventually chose Barnard, Jackson and Willis, a local company. It was generally agreed that their design, which included a grey tinted 5..... 6..... at the front of the building, was the most aesthetically pleasing. They are currently in the process of laying the 7..... for the new building, which we understand is taking some time as the land must be drained first.
3. In response to a lot of complaints about the lack of 8..... facilities in the town, it was agreed at last month's meeting that funds should be set aside for the construction of a new sports centre and youth club.
4. Several 9..... buildings which have been ruined and abandoned for over five years are to be knocked down. In their place, a new housing 10..... will be built. This will provide 20 new homes within the next two years.
5. Everybody agrees that the new shops on the High Street are 11..... It is certainly true that they are very ugly and out of keeping with the other buildings on the street. In future, we must ensure that all new buildings are built in a 12..... style so that they fit in with the older buildings around them.
6. There has been an increased crime rate in the 13..... to the east of the town. We plan to demolish these run-down areas within the next eight years and re-house the residents in new 14..... apartments in the Berkely Heath district.
7. In an attempt to help the environment, we are going to make the town hall more 15..... Windows will be double-glazed, walls and ceilings will be insulated and we will replace the current central heating system.

My next report will be in two months' time. Anybody wishing to discuss these issues can contact me on extension 287.
