

Activity 3

Ali and Abdulla have collected electrical components to make a poster for their science lab. Help them to complete the poster below.

| Component Picture                                                                 | Component name | Type | Measuring Unit |
|-----------------------------------------------------------------------------------|----------------|------|----------------|
|  |                |      |                |
|  |                |      |                |
|  |                |      |                |
|  |                |      |                |

Ceramic Capacitor

Potentiometer

Resistor

LDR
