

1 Match the parts of the sentences.

# Grade 6 Yearbook

Jade

- |                                     |                                       |   |
|-------------------------------------|---------------------------------------|---|
| 1 My favorite day                   | <input checked="" type="checkbox"/> d | a was an actor who is in a new TV drama. We interviewed him, and he told us he was a student at our school once!                |
| 2 Our class trip                    | <input type="checkbox"/> b            | b in the yearbook is the one of our whole class at the end-of-term party in April. We look very happy!                          |
| 3 My best class                     | <input type="checkbox"/> c            | c is don't forget your homework. If you forget your homework, Miss Henderson won't be happy!                                    |
| 4 The most interesting person I met | <input type="checkbox"/> d            | d is Friday. We always watch movies in our English classes on Friday!   |
| 5 My award                          | <input type="checkbox"/> e            | e was science. We made "snow," and it snowed all over Miss Henderson's table! That was fun!                                     |
| 6 My happiest memory                | <input type="checkbox"/> f            | f was the musical we wrote and performed at school for all the teachers, students, and parents. Everyone said it was excellent! |
| 7 My favorite picture               | <input type="checkbox"/> g            | g for "The Silly Poem" competition was a surprise! I won first prize! 😊   |
| 8 My advice to next year's Grade 6  | <input type="checkbox"/> h            | h to the Natural History Museum was great! We learned a lot of interesting facts.   |

2 Read again. Then circle *True* or *False*.
