

Chathun loves to help his mom when she cooks. He knows how to mindfully use kitchen utensils.

He uses a ..... to remove the potato skin. Mom doesn't let Chathun use a ..... yet, because it is sharp.

Mom crushes pepper in a ..... by pounding it to little black flakes with a .....

She places the potatoes on a ..... and cuts them into little cubes. Then she melts some butter in a saucepan and adds the potatoes.

Chathun gets to stir-fry potatoes with a ..... Once it is slightly fried, Mom adds pepper flakes to it. Then mom serves it hot on a plate.

Chathun's little sister likes to use a pair of ..... to pick potatoes and pretend she is fishing.
