

Basic multiplication and division

1. Vocabulary

1. multiplication	Phép nhân	2. Division	Phép chia
3. times/ multiplied by	nhân	4. Divided by	chia
5. Repeated addition	Phép cộng lặp lại		

2. Write the correct numbers

1.

$2 + 2 = \square$

$2 \times 2 = \square$

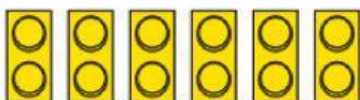

2.

$2 + 2 + 2 + 2 = \square$

$4 \times 2 = \square$

3.

$2 + 2 + 2 + 2 + 2 + 2 = \square$

$6 \times 2 = \square$

4.

$2 + 2 + 2 = \square$

$3 \times 2 = \square$

5.

$2 + 2 + 2 + 2 + 2 = \square$

$5 \times 2 = \square$

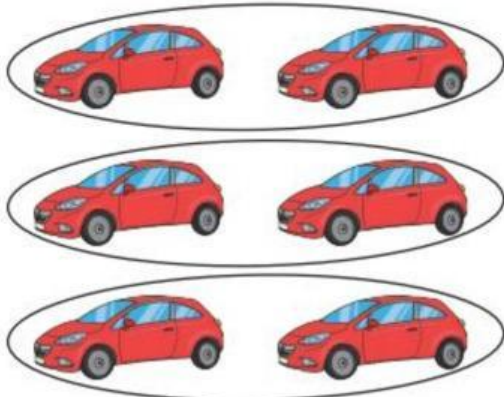

6.

$2 + 2 + 2 + 2 + 2 + 2 + 2 + 2 + 2 + 2 = \square$

$10 \times 2 = \square$

2. Write the repeated addition and multiplication

3 rows of 2 cars. *Row: hàng*

$$2 + 2 + 2 = \underline{\hspace{2cm}} \text{ cars.}$$

$$3 \times 2 = \underline{\hspace{2cm}} \text{ cars.}$$

 4 rows of 2 chocolates.

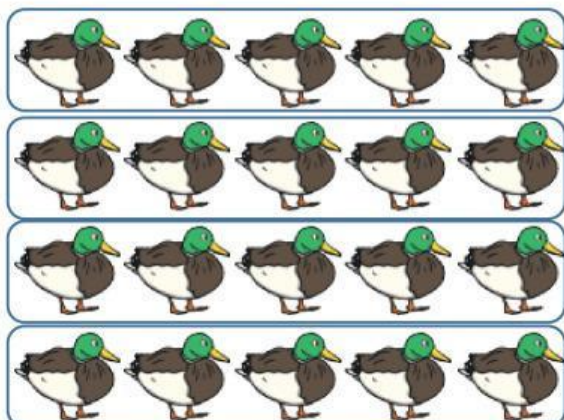

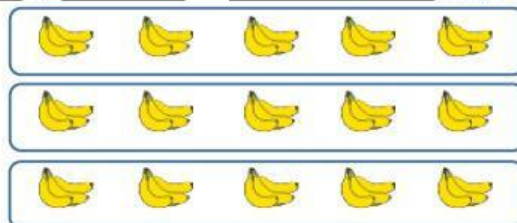

$$\underline{ 2 } + \underline{ 2 } + \underline{ 2 } + \underline{ 2 } = \underline{\hspace{2cm}} \text{ chocolates.}$$

$$\underline{ 4 } \times \underline{ 2 } = \underline{\hspace{2cm}} \text{ chocolates.}$$

 rows of bananas.

$$\underline{\hspace{1cm}} + \underline{\hspace{1cm}} + \underline{\hspace{1cm}} = \underline{\hspace{1cm}} \text{ bananas.}$$

$$\underline{\hspace{1cm}} \times \underline{\hspace{1cm}} = \underline{\hspace{1cm}} \text{ bananas.}$$

 rows of ducks.

$$\underline{\hspace{1cm}} + \underline{\hspace{1cm}} + \underline{\hspace{1cm}} + \underline{\hspace{1cm}} = \underline{\hspace{1cm}} \text{ ducks.}$$

$$\underline{\hspace{1cm}} \times \underline{\hspace{1cm}} = \underline{\hspace{1cm}} \text{ ducks.}$$

3. Division mean share equally (*phép chia hết được hiểu là chia đều*)

Can you share the marbles equally into these bags?

Draw the marbles in the bags and write the number.

4 viên bi chia đều 2 túi, mỗi túi có 2 viên:

$$4 \div 2 = 2 \text{ viên bi}$$

This bag got

2

marbles.

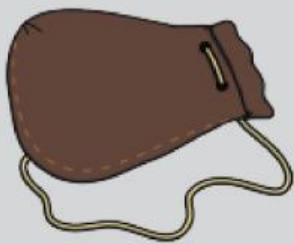

This bag got

2

marbles.

$$6 \div 2 = \underline{\hspace{2cm}}$$

This bag got

marbles.

This bag got

marbles.

This bag got

marbles.

This bag got

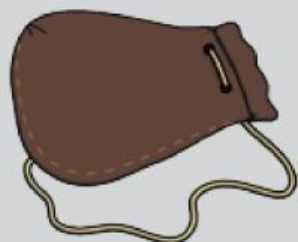

marbles.

This bag got

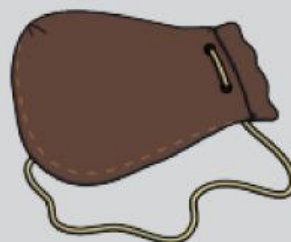

marbles.

$$9 \div 3 = \underline{\hspace{2cm}}$$

This bag got

—
marbles.

This bag got

—
marbles.

$$8 \div 2 = \underline{\hspace{2cm}}$$

This bag got

—
marbles.

This bag got

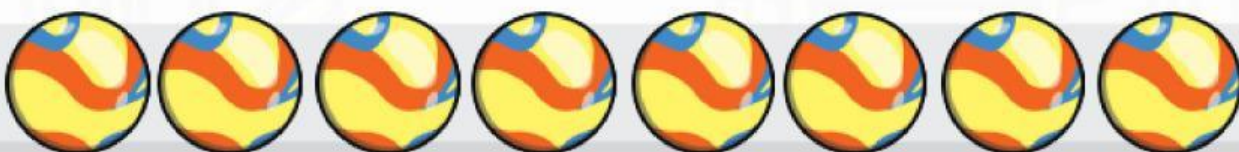

—
marbles.

This bag got

—
marbles.

$$12 \div 3 = \underline{\hspace{2cm}}$$

This bag got

—
marbles.

This bag got

—
marbles.

This bag got

—
marbles.

This bag got

—
marbles.

$$8 \div 4 = \underline{\hspace{2cm}}$$
