ODD AND EVEN NUMBERS

Remember that odd numbers end in 1, 3, 5, 7, and 9.
Even numbers end in 2, 4, 6, 8, and 0.

Add the number and write the answer. Then, click the menu on the right to choose wether the answer is odd or even.

643 +132 = 775	223 +147 =	361 +749 =	946 +621 =
Odd			

Drag the numbers and drop them in the correct box.

8,455	9,039	3,786	8,414
4,182	2,950	1,473	9,031

Even		Odd
