In the Scary Castle

In the scary castle,
There's a mouse in the fridge,
A spider in the bathtub,
And noises everywhere!

In the scary castle,
There's a bird in the closet,
A mouse in the fridge ...

In the scary castle,
There's a bat on the stove,
A bird in the closet ...

In the scary castle,
There's a skeleton in the attic,
A bat on the stove ...

Wooooahhhhhh!
