Lesson 10 /The Girl I Rarely See by Joseph Gara

1 Watch, listen and enjoy.

THE GIRL I RARELY SEE

When was the last time I saw your face
I keep on staring at an empty space
Where you use to sit only once in a while
As I look at you with your sweet sweet smile

When will I ever get to say hello
When each time I see you, you just come and go
Well I guess I just have to be thinking of you
Coz I know that love can see you through

You're the girl I rarely see
That my heart had long to be
What a rare love could this be
If I'm falling in love with the girl I rarely see

And when will I ever get to see you again
When you only show up every now and then
But I hope that one day I'll be letting you know
That a love though rare yet real had started to grow

And anywhere I go
I keep hoping to find you
I know my heart has you
Wishing for a chance to be
Alive for you and me
