

Unit 5 – Functional Language: Describing features and benefits.

Read the discussion about a corporate gift. Choose the correct option.

A: This looks interesting, Yumi. But what is it exactly?

B: It's a powerbank. It's a portable charger for a smartphone.

A: It would be quite big to carry around. Do you think it would fit into a suit pocket?

B: It probably would. It 1 ☒ 11 cm by 5 cm. And it's about 2 cm thick.

That's small for a charger.

A: I suppose so. Is it heavy?

B: It 2 ☒ about 450 g.

A: So, how long does it take to charge a smartphone?

B: 30 minutes.

A: And how many times can it charge it?

B: Six complete charges. And it comes with two outputs.

A: So, what does that mean?

B: That 3 ☒ that you can charge two smartphones at the same time.

A: That's good. What colours can we choose from?

B: It comes 4 ☒ blue or black.

A: Is that the case? What's it made 5 ⓪ ?

B: Hard plastic. It just 6 ⓪ that it's easier to protect it. It comes

7 ⓪ cables as well, so it allows you to have everything you need in one place.

A: I think it's a great idea. It 8 ⓪ you charge your phone anytime, anywhere.

Brilliant for long journeys. What about price?

B: Within the budget you gave me.

A: Good work, Yumi.
