**Jennifer:** I think we should look at how much it will (3)\_\_\_\_\_ to preserve the old statues and buildings. What do you think?

**Quân:** I agree.

**Jennifer:** If it costs more than what we can make from (4)\_\_\_\_\_, I'm not sure we can preserve them all.

**Quân:** You're right, and there's a company offering the city a lot of money to knock them down so they can build luxury (5)\_\_\_\_\_.

**Jennifer:** It would be terrible to lose all those historical buildings, the pagoda and the (6)\_\_\_\_\_ are over 200 years old. We should definitely (7)\_\_\_\_\_ them from knocking that down.

**Quân:** Yes, the Pagoda is the most popular tourist (8)\_\_\_\_\_ in the area.

**Jennifer:** What about the old departments? They don't make much money. Teenagers mostly just go there to take photos for their social media.

**Quân:** I've been thinking about that. I think we should change the empty apartments into closed stores or even a (9)\_\_\_\_\_. It was a popular idea in my city. And we can keep the original look of the outside of the (10)\_\_\_\_\_. What's your opinion?

**Jennifer:** What a great idea. I believe that will work.

**Quân:** Okay, I'll go back to my desk and type up the plan.
