Prime Minister =  Since May 1940 (empty box)

> Find the right category for the following inconveniences

You couldn't even light a match.	EVACUATION	BLACKOUT	It mainly concerned children, pregnant women and the disabled
Being sent into the unknown could be traumatic.			There were a lot of car accidents.
Rationing was enforced to ensure fair shares.	FOOD / CLOTHES / OIL	CULTURE / SPORT	A lot of sportsmen volunteered.
Pedestrians would get injured at night.			Most museums closed and the works were evacuated
The prices would increase dramatically.			Almost 1.5 million people were moved to safety.
Concerts, theatres and cinemas remained very popular..			Most imports were impossible which resulted in shortages.

> Right or wrong?

The bombings did not stop after the blitz, they lasted until the end of the war.

Right

Wrong

More than 60,500 British civilians were killed and more than 86,000 were severely injured during the war.

Right

Wrong

There was no real solidarity between the different social classes in Britain.
