LIVEWORKSHEETS

II. Read the text. Write T (true) or F (false).

What do you like to eat for breakfast? Do you eat mangoes? This is a mango farm. Are there any mangoes on the trees? Yes, there are! Mangoes start as pink flowers on a mango tree.

This is a mango seed. The seed grows into a big tree. After four to five years, the tree has fruit—mangoes! You can buy mangoes at the store. They can be green or purple, but also red, yellow, or orange.

1. Mango trees grow from a seed. ☐
2. Mangoes grow on a small plant. ☐
3. A mango tree has pink flowers. ☐
4. The mango tree has flowers first and then fruit. ☐
5. Mangoes are brown and purple. ☐

LIVEWORKSHEETS
