Hi Jack!

My family and I usually stay at home for Christmas, but this year is different. We're in the Alps in Switzerland. It's beautiful here and there's a lot of snow. The air is very cold but the weather is sunny. There's a lot to do and we're having fun!

We get up early every morning and have a big breakfast in the hotel dining room. Then we go up to the mountains by train. My mother and sister, Joan, play in the snow. I'm learning to ski. It's my favourite activity! I love it! Joan doesn't like skiing. She's scared.

In the afternoon, we often go to the little village near the hotel and drink hot chocolate. We sometimes stay in the hotel and watch TV or play on our tablets.

Love,  
ALan
