

PROPAGANDA

Read the websites and do the activities:

➤ Classify the posters in the chart :

Shortages (food, clothes, oil...)	Safety
Donate	Recruitment (military / civil service)

➤ Right or wrong

Posters were very important in wartime propaganda.

Right

Wrong

Carrots improve your eyesight and help you see in the dark, that is scientifically proven.

Right

Wrong

The British government encouraged the population to eat carrots because they had produced loads of them.

Right

Wrong

John Cunningham, an RAF pilot, ate lots of carrots, that's why he shot so many German planes during the Blitz.

Right

Wrong

We know for sure that the propaganda about carrots kept the Germans from discovering onboard radars.
