- Water the plants

3. Read and underline the words from the vocabulary on the following text:

Dear friend,

I must tell you that my parents bought a farm near the city, it's a place where I have learnt to do a lot of things such as watering the plants in the proper way (always watering the roots and not touching the leaves), also, I learnt how to build a scarecrow to avoid the birds to eat our harvest of berries . I always have fun doing so.

What I like to do the most on my parent's farm is picking some fruits like berries and grapes and put them on the wheelbarrow and then carry it out to the barn, it makes me feel like a real farmer, sadly we just come here on weekends because we don't have much time to come every day.

4. With the words that you have underlined create some sentences.
