

SILVIA APARICIO PALOMINO

1/21

9. WE DISCOVER THE MIDDLE AGES. When did the Middle Ages begin?

- The Romans created a vast empire around the Mediterranean Sea.
- In the 3rd century the Roman Empire suffered a period of crisis (Germanic tribes attacked them)
- Many people left the cities for the countryside.
- In 476, the last Western Roman emperor was defeated. This event marked the start of the Middle Ages.
