

Match word with its definition

unique - breathtaking - remote - run down - commercialized - dingy - dull - inaccessible - overcrowded - unspoilt - mind blowing - vibrant - hospitable

_____: Extremely impressive or stunning, often to the point of taking one's breath away.

_____: Altered or adapted for commercial purposes, often with an emphasis on profit-making.

_____: Dark, dull, or dirty in appearance, giving a sense of gloom or shabbiness.

_____: Lacking interest or excitement, often characterized by monotony or a lack of stimulation.

_____: Friendly and welcoming, particularly in providing a pleasant environment for guests or visitors.

_____: Difficult or impossible to reach or approach, typically due to physical barriers or obstacles.

_____: Extremely impressive, astonishing, or overwhelming to the point of surprising the mind.

_____: Containing too many people or things, often to the point of being crowded and uncomfortable.

_____: Located far away from populated areas, often implying a lack of accessibility.

_____: In a state of disrepair or decline, often referring to buildings or areas that have deteriorated over time.

_____: One of a kind, distinct, or possessing characteristics that set it apart from others.

_____: Remaining in a natural or original state without being altered, damaged, or degraded.

_____: Full of energy, color, and life; lively and dynamic.
