

1. Fill the table with the given words. Give examples.

A few	Little	Both	No / none	Every
Few	Much	Each	Most of	Some
A little	Many	All	Any	

	Countable	Uncountable	Can use with both
	Singular (apple / leg / day) Plural (apples / legs / days)	(milk/ sand/ hair)	
Positive			
Negative			

2. Choose the correct option and explain why.

In today's world, **each / a few / all** young person interacts with technology in **both / some / any** way. **A little / A few / some** might use it sparingly (poorly), while others cannot imagine a day without it. **Every / all / some** gadget, from smartphones to laptops, plays a role in their lives. Do **a few / any / each** of these gadgets help our lives?

Any / Some / Both educational and recreational activities have been transformed by technology. **A little / A few / some** time spent learning to code can open up new opportunities, while **each / a few / a little** online games can bring joy and relaxation.

However, it's not **every / all / each** positive. **Some / both / each** youths (young people) face challenges, such as online bullying or addiction to social media. **No one / any / each** should feel alone in these situations, and it's important that they seek (look for) help when needed.

Despite these challenges, **any / each / none** can deny the benefits of technology. It has the power to connect, educate, and inspire youth like never before. It's our responsibility to guide them in using technology wisely.

3. Choose the correct option.

John: Hey, Mike! I heard you bought a new game console. How is it?

Mike: Yes, John. I bought it 1 **much / a few** days ago. It has 2 **some / any** really cool games. But it cost 3 **many / much** more than I expected.

John: Oh, you 4 **should have / couldn't have** asked me before buying. I 5 **should have / could have** suggested a place where it's cheaper.

Mike: I 6 **couldn't have / must have** waited. I was too excited. But now, I 7 **might have / shouldn't have** spent too 8 **much / some**.

John: Well, you 9 **must have / might have** considered the cost. Gaming can be expensive.

Mike: You're right. I 10 **may not have / couldn't have** thought it through. But I 11 **can't have / should have** regrets now. I'm enjoying 12 **all / both** the games and the graphics.

John: That's the most important thing, Mike. Enjoy your gaming!

4. Complete the dialogue with modal verbs and correct verb form.

Person A: Do you remember when people **might have** only dreamed about today's technology?

Person B: Yes, they _____ **(think*)** about devices that make life easier, but they _____ **(predict/ not)** how advanced technology would become.

Person A: True, I **think** they _____ **(imagine/ 100%)** a device for storing information.

Person B: And the internet! I'd **say that** people _____ **(see / should)** how it would change everything. But they _____ **(predict)** problems like data privacy and misinformation.

Person A: Yes, they _____ **(know)** that new technology brings new challenges. I **believe** we _____ **(ignore / not)** these potential risks.

Person B: Absolutely. **In my opinion**, we learn to address these challenges as we continue to innovate.

5. Read the dialogue and write in the given phrases.

think	say that	I believe	It seems to me	in my opinion	my view
--------------	-----------------	------------------	-----------------------	----------------------	----------------

Person A: _____ technology plays a crucial role in the lives of today's youth. Don't you agree?

Person B: Yes, I _____ that every gadget, from smartphones to laptops, has become an integral part of their lives.

Person A: True, but _____, it's not all positive. Some young people face challenges like online bullying or addiction to social media.

Person B: I agree. _____ **that** these issues are often overlooked.

Person A: Exactly. **In** _____, no one should feel alone in these situations, and it's important that they seek help when needed.

Person B: **I'd** _____ despite these challenges, none can deny the benefits of technology. It has the power to connect, educate, and inspire youth like never before.

6. Answer the following questions using 3 different phrases of expressing your opinion.
