

"Alice's Unusual Wonderland Adventure"

Please select the correct meaning for each idiomatic expression.

In the modern town of Wonderland Ville, Alice, a seventh-grade student, found herself feeling a bit under the weather. School assignments and daily routines weighed on her like a heavy cloud. One day, as she daydreamed during class, a peculiar white rabbit hopped into her life.

The rabbit seemed to speak directly to her, saying, "Alice, the ball is in your court. Follow me to a place where wonders never cease." Intrigued and ready for a break from her mundane routine, Alice decided to give it a whirl and hope to break a leg, and she chased after the rabbit running fast before they miss the boat.

Following the rabbit down a rabbit hole, Alice found herself in a whimsical world where the extraordinary happened once in a blue moon. She encountered peculiar characters, like the Cheshire Cat who advised her to take everything with a pinch of

salt, reminding her that Wonderland had its own set of rules.

As she ventured further, Alice met the wise Caterpillar who shared advice straight from the horse's mouth. "To navigate Wonderland, you must see eye to eye with the fantastical creatures you encounter," the Caterpillar advised.

Alice soon stumbled upon a tea party hosted by the Mad Hatter and his eccentric friends. They urged her to jump on the bandwagon and pitch in in their peculiar celebration. As the tea party continued, it began raining cats and dogs, turning the event into a chaotic and amusing spectacle.

The Queen of Hearts, known for her extravagant demands, declared a bizarre trial. Alice, determined to go the extra mile to understand Wonderland's peculiarities, participated in the trial, where everything seemed to go down in flames.

After a series of curious adventures, Alice finally reached the grand end of her Wonderland journey. The White Rabbit, impressed by her resilience and openness to new experiences, commended her with, "Alice, you navigated Wonderland like a seasoned adventurer. Your ability to keep your chin up even in the face of the most unusual challenges is truly commendable."

Alice, now back in her own world, realized that life's wonders could be as right as rain when one dared to embrace the extraordinary. Her journey through Wonderland became the talk of the town, and she cherished the memories of a peculiar adventure that taught her that sometimes, navigating through the unexpected can be a piece of cake with the right attitude. Finally, Alice hit the sack.
