

¿Cómo funciona la computadora?

Arrastra los nombres a cada parte correspondiente

The diagram consists of several icons representing different parts of a computer system, each with an empty box below it and a blue arrow pointing to it:

- Top Row:**
 - Left: A desktop monitor with various colorful icons (gears, rocket, apple, etc.) on the screen. Below it is an empty box.
 - Middle: The macOS logo (apple icon) and the Windows logo with the word "Windows". Below them is an empty box.
 - Right: A laptop with a cartoon face on the screen. Below it is an empty box.
- Bottom Row:**
 - Left: A web browser window showing a globe. To its right are logos for Chrome, Safari, Microsoft Edge, Mozilla, and Firefox. Below the browser window is an empty box.
 - Right: A desktop monitor with various application icons (music, photos, etc.) on the screen. To its right are logos for PowerPoint and Google Slides. Below the monitor is an empty box.

At the bottom of the page, there are three separate boxes containing text labels for the components:

- Programas antivirus
- Programas de aplicaciones
- Sistema operativo
- El programa/software
- Navegador de Internet
