Hi Anita,

I'm going to tell you about my city, New York. I love living in New York because there are always exciting activities to do at the weekends. Last Saturday, we went to a theatreon Broadway, and we hada fantastic time. On Sunday, we saw my favourite football team, the New York Giants, at the stadium. It was a great game! Then, we went to a restaurant, and I had a burger. Of course, I don't goto the theatre and a football match every week! It was my birthday, so it was a special weekend.

And your visit is going to be a special weekend, too! I'd like to go to the ice rink and to see the fish at the aquarium. There's a great art gallery in my street, too. We can go and see some famous paintings there. We can also take a ferry on the Hudson River and go and see the Statue of Liberty. So, there are lots of things to do! It's easy and quick to travel around New York on the metro, but you can't see anything. You can see lots of things on the bus, but it's very slow, becausethere are lots of cars in New York and yellow taxis!

Anyway, write and tell me what you want to do in New York!
Bye,
Max
