Dear Kitty,

We are having a great time in Iceland. We are staying in an ice hotel. The beds are ice, the chairs are ice, the 5 tables are ice ... everything is ice!

It is very cold! It is snowing.  Tom and I like the snow. We can make snowmen and throw snowballs. Dad and Tom are skiing in the snow now. Mum and I are having a rest. We are drinking hot chocolate.

10 I am taking lots of photos for you to see.

See you soon.

Love,
Mary
