

In the Modern Art Museum,
tourists the interior and
history or artistic exhibitions.
Local people and tourists also
green spaces and the
abstract faces found on the walls.
Tourists and residents usually
the works and to talk
about the exhibition at that
moment. During the event or
museum tour, people actively
when questions are asked to see
if they are attentive.
After the tour, people
through the museum and its
surroundings, the paintings
in more detail, on the
benches in a room to enjoy the
surroundings.
