One, two, three, ow

\_\_\_\_\_, kids

We got the dreamers disease

You feel

Age fourteen, they got you down on your knees

So polite, we're busy still saying please

Frienemies, who when you're down ain't your friend

Every night we smash a Mercedes-Benz

Wake up

First, \_\_\_\_\_, and then we laugh 'til we cry

But when the night is falling

You cannot find the light (light)

\_\_\_\_\_ your dreams are dying

we run

Hold tight

You've got the music in you

Don't let go

You've got the music in you

One dance left

This world is gonna pull through

Can't forget

We only get what we give

I'm comin' home, baby

You're tops

We're flat broke

But hey, we do it in style

The bad rich

God's flying in for your trial

But when the night is falling

\_\_\_\_\_ a friend (friend)

You feel your tree is breaking

Just bend

You've got the music in you

Don't let go

You've got \_\_\_\_\_ in you

One dance left

This world is gonna pull through

Don't give up

You've got a reason to live

Can't forget

We only get what we give

This whole damn world could fall apart

You cannot find

the music

Give it to

Don't give up
