Subject: My life back home! 

Hello, dear Luis Emilio! Today is the anniversary of the day I returned to Miami from the Dominican Republic. Thank you very much for the help and the fun!! My time in your country was fantastic.

My life now is very different! I play tennis three times a week, in the morning. I'm super, happy 😊, I like it! I'm not very good, but I have fun. I also go biking with my family on Sundays. We usually go to the beach and organize a picnic.

Do you remember my grandmother's famous barbeque sauce? She always prepares it! I am not a fan of baseball, but I play once or twice a month with my dad – he ❤️ it! My grandfather is sick, but he is OK... He does a lot of exercise every day because of his diabetes. 

Please, tell me about your summer and about your family! I always remember them with love.

Teresa
