Architect wanted at ACC

We are a family business of architects based in the center of Seattle.

We are looking for an architect to join our team. We are a small company and we started our business ten years ago. Thanks to some great architects, we designed and built many of the great buildings in and around Seattle.

Who are we looking for?

An architect with experience designing apartments and small hotels.
 Somebody who is a team player and who likes working as part of a team.
 A person with experience managing small teams of people.

What is the position?

You will have to work here in the office in Seattle.
 You might have to travel to visit buildings in other cities in the area.
 You will have to dress formally most of the time, but you don't have to on Fridays, because we have 'jeans Friday'.
 You will have to work until 6 p.m. most days but you won't have to work on Friday afternoons.

What can we offer you?

At ACC you don't have to pay for your own car or for your lunch because we offer free lunch in our cafeteria and a company car. We also offer you free membership to a gym in the same building.
 You will have 22 days of vacation a year. You don't have to take this in the summer; you can take it whenever you want.
