

## Poisoned Talk

| Stanza | Interpretation  |
|--------|---|
| 1      | A _____ says that it harmed the Cock Robin who died on a withered tree branch because the _____ was contaminated with acid that had poisoned the worm.  |
| 2      | A _____ says it is responsible for killing the _____ and other birds in the lake as they were affected by its tainted flesh.                            |
| 3      | The _____ claims responsibility for poisoning the lake with _____ which caused the death of fish, plants, and weeds in the lake.                        |
| 4      | The _____ states that it is responsible for the death of the _____ as it roams freely, carrying acid rain and causing harm to fields, floods and fens.  |
| 5      | _____ declares its responsibility for the forest's demise. The harmful gas caused the death of all _____ within the forest, from earthworms to linnets. |
