tidy up wash work

My younger sister, Jenny, ¹ doesn't have to work very hard at school because she's still little, but she and her classmates ² have to tidy up the classroom at the end of the day so it's nice and clean. They ³ have to put their chairs on top of their desks, but they ⁴ have to take the floor – the school cleaner, Mr Branston, ⁵ has to carry that. Jenny's got some heavy books, but she ⁶ has to leave them home every day – she can keep them on her shelf in the classroom. When there's homework, Jenny brings the book that she needs home, but she ⁷ has to bring it back to school the next day. I think she's a very good student – just like me!
