

Test 2

Part 5

Questions 21–26

For each question, choose the correct answer.

Whale songs

Did you know that a kind of whale, called a humpback whale, sings? In the 1960s it was (21) that humpbacks communicate with each other by making beautiful noises. A record was (22) in 1970 called *Songs of the humpback whale*, which sold millions of copies. People were absolutely amazed to learn that some whales in the deep oceans were so intelligent: in (23) centuries people had thought that whales had simple brains, like fish.

The songs of the whales were so popular that they were (24) in recordings of sounds from our planet which were (25) into space in 1977. The recordings were chosen to show the wide (26) of life on our planet. People hoped that, in the future, they might be found by intelligent creatures far out in space.

Write **one** word for each gap.

My travel blog

This summer, I travelled to Copenhagen, the capital of Denmark, on my own. I am only 20 and to (27) honest, I was nervous about exploring a new city alone. I decided to go on a free walking tour the first day I was there. I hoped the tour would help me to become more familiar (28) the city.

Unfortunately, the weather wasn't great, but the tour was still absolutely fantastic! Magnus, our tour guide, knew all about the city's history. We also learnt loads (29) interesting facts about Danish culture. At the end of the tour, he gave (30) all suggestions for the best places (31) eat and visit.

Apart from learning so much, I actually had a lot more fun on the walking tour (32) I'd expected. It was an excellent way to experience the city, and learn about its culture and history.
