

Name _____

A grid of squares makes it easier to find things on a map. Grid references are the numbers that give the position of each square.

KEY	
	source
	church
	picnic site
	car park
	marsh
	road
	forest
	bridge
	reservoir
	sewage works
	heliport

Look at the map and find the church. The number of the vertical line on the left of that square is 42. The number of the horizontal line at the bottom is 19. The grid reference for the church is therefore 4219.
