

1. Listen to the song and choose the correct option:

Some people want to be famous,
Some people want to be beautiful,
Some people want to be clever,
But the **most important / more important** thing of all
Is to be positive and walk tall!

We can try to be kind,
We can try to be **kinder / more kind**,
We can try to be the kindest of them all.
Please, my friend, remember one thing:
We can all be generous and walk tall!

Some people want to be famous,
Some people want to be beautiful,
Some people want to be clever,
But the **more difficult / most difficult** thing of all
Is to be positive and walk tall!

Don't be mean, don't be meaner,
Don't be **the meanest / the most mean**
of them all.

Please, my friend, remember one thing:
We can all be generous and walk tall!

Some people want to be famous,
Some people want to be beautiful,
Some people want to be clever,
But the **most important / more important** thing of all
Is to be positive and walk tall!
