Well, look at the **time** / **white**.

Is it **January** / **February** 2nd already?

Oh, I'm a little groundhog furry and **blue** / **brown**.

I pop my **hand** / **head** out of my hole
and look around

If I see my **shadow** / **fellow**

I'll go back down.

For six more weeks of **summer** / **winter** underground.

Oh, I'm a little groundhog furry / **happy** and brown.

I pop my head out of my **den** / **hole**
and look around

If I don't **look** / **see** my shadow

I'll stay our here

And enjoy an early **spring** / **autumn** this year.
