

A very nice man! by Haley

1 Russell Holmes is our neighbour. He's rather short but well-built and he's got wavy brown hair, brown eyes, a beard and a moustache. Russell is a vet, and when he goes to work he wears casual clothes: jeans, a checked shirt and a stylish black jacket. He always looks cool.

2 We met Russell two years ago. Mum and I were walking to town when a van arrived at the house next door. Russell got out, smiled and told us his name. We liked him straight away.

3 At the beginning, I thought Russell was serious, but he loves chatting and telling jokes. He's interested in sport and music, and I am too. He's kind and he sometimes helps me with my Biology homework. He's a great neighbour!
