Azzam Mirza is a (1)\_\_\_\_\_ of mine. He lives just next (2)\_\_\_\_\_.

Last week, Azzam Mirza had a school holiday. He decided to spend his holiday with his (3)\_\_\_\_\_ in the village.

Azzam Mirza was lucky because it was a (4)\_\_\_\_\_. Every (5)\_\_\_\_\_, he was taken to the fruit farm by his grandfather. There, he ate durians, (6)\_\_\_\_\_, and (7)\_\_\_\_\_.

In the evening, Azzam Mirza and his new friends went to the (8)\_\_\_\_\_ behind his grandfather's house. They swam and fish happily. Azzam Mirza caught a big (9)\_\_\_\_\_ and he also saw an otter and several (10)\_\_\_\_\_.

On the last day of his stay, Azzam Mirza was very (11)\_\_\_\_\_. He had to go (12)\_\_\_\_\_ home. His grandparents promised to (13)\_\_\_\_\_ him. Azzam Mirza had a (14)\_\_\_\_\_ time during his stay in the village.
