PART 6 Questions 27-32

For each question, write the correct answer. Write ONE word for each gap.

The British Museum

Last week my class and I visited the British Museum in London and I was thrilled. The British Museum is the first national public museum in the world. It first opened to the public (27)..... 15th January, 1759. It has a huge collection of objects from (28)..... over the world. The guide told us that the reason the collection grew (29)..... quickly was that Britain controlled many countries worldwide in the 18th and 19th centuries. As it is such a large museum, you really need a guidebook (30)..... order to find where everything is in the museum. Then, you can plan what you really want to see. It's very easy to run (31)..... of time while you are looking around and, to be honest, it is nearly impossible to (32)..... everything in the museum in one day. In fact, we only saw half of it.
