

TASK 1: Read the passage below and fill in the blanks.

Sports Day (Hari Sukan)

Last sunny Sunday, SK Bandar Rengam organised a Sports Day at the field. The tents were beautifully decorated with colourful ribbons and flags. Many parents came to support their children who took part in the sports event.

There were many events such as high jump, long jump, javelin, shot put and track events. The athletes were as fit as a fiddle and they were eager to start. During the 100 metre race, once the referee blew the whistle, all runners ran as fast as lightning to be the winner. The crowd of spectators cheered and clapped loudly to support their favourite athletes.

During the prize giving ceremony, the caring headmaster gave away medals to the winners of various types of events. The Sports Day ended at 3.00 p.m. Even though the pupils were as tired as a tombstone, they felt as happy as a lark. It was an unforgettable day for them.
