# Word blog: Clothes for life

1 **My blog** Read the text and look at the photos. Then complete the text.

cap casual checked jacket  
plain scarf striped wavy

- Are you bored with your clothes?
- Do you have a wardrobe full of clothes you don't wear?
- Then why don't you have a clothes swapping party?!

Phone all your friends, ask them to bring the clothes they don't want – and SWAP! My best friend, Laura, and I organised a swap party last week. We swapped clothes with our friends, family and neighbours. We think our 'new' clothes are very cool. Do you agree with us?

## Recycle your clothes! Have a clothes-swapping party!

Our friend Angela found these amazing clothes at the party. Here, she's wearing a black jacket, a <sup>1</sup>plain white T-shirt and a blue skirt. She looks great! This is a photo of her.

This is a photo of me. In this photo I was getting ready for school in my 'new' clothes. I like my colourful

<sup>2</sup>ch \_\_\_\_\_ shirt a lot! Comfortable and <sup>3</sup>c \_\_\_\_\_!

### Which photo do you think is best?

Look at Laura. She's wearing a white and blue <sup>4</sup>s \_\_\_\_\_ T-shirt and a baseball <sup>5</sup>c \_\_\_\_\_.

The clothes look perfect with her sunglasses and <sup>6</sup>w \_\_\_\_\_ blond hair.

Who says kids can't be stylish? One of my little cousins was at the party too. He's wearing his 'new' swapped clothes in this photo. I love Jamie's blue <sup>7</sup>i \_\_\_\_\_. He looks quite serious here, but he's usually very funny!

Our neighbour, Masie, also came to the party. Check out her new pink <sup>8</sup>s \_\_\_\_\_, yellow top and a blue

cardigan. She wore them to the office yesterday. Say 'no' to boring clothes – Masie did!

2 **Like or don't like** Look at the pictures and circle the correct words. Then colour if you like the item or if you don't like it.
