

The Olympic Games is an International Sports event. There are summer Olympic Games and Winter Olympic Games. They take place every four years in a different country. The Summer and Winter Olympic Games do not happen in the same year.

Tokio was going to celebrate the Olympic games in 2020 but they were postponed to July 2021.

Originally, the Ancient Olympic Games were held In Ancient Greece at Olympia. The First “Modern” Olympics happened in 1896 in Athens, Greece.

At the summer Olympic Games athletes from five continents take part in many sports Including archery, athletics, Gymnastics, Swimming, Football, basketball…

The Winter Games were created for Ice and Snow Sports.

The Paralympic Games were created for athletes with physical disabilities.

the celebration of the Games includes many rituals and symbols such as the Olympic Flag and the Torch, as well as the opening and closing ceremonies. the first, second and third place finishers in each event receive, respectively, gold, silver, and bronze medals.

The rings on The Olympic Flag are the symbol of the Games. There are five rings because there are Olympic athletes from five continents: Europe, Asia, Oceania, Africa and América. The rings are blue, black, red, yellow, and green because every country has one of these colours on its national flag.

We will celebrate the next Olympic games in Paris in July 2024.
