

# HOW TO CARE OF THE ENVIRONMENT

We can be more eco-friendly by doing some simple actions. REMEMBER R-R-R!!!

## REDUCE: Do I need something new?

👉 Sentence structure: I save/reduce... **by** verb+ing 👉

- ✓ I create less waste **by** throwing less things away.
- ✓ I reduce the use of plastic **by** using my own lunch box, my own water bottle instead of plastic bottles or clothe bags instead of plastic bags.
- ✓ I save water **by** turning off the water tap while brushing my teeth and having a short shower instead of a long bath.
- ✓ I save energy **by** turning off the lights and the electronic devices such as TV when I'm not using them.
- ✓ I reduce air pollution **by** using the bicycle or walking whenever is possible or using the public transportation.

## REUSE: Can I use this in a different way?

- ✓ I give a new use to things I'm going to throw away.
- ✓ I donate my clothes that are in good condition, and I no longer use, so another child can reuse them.
- ✓ I reuse paper, carton boxes, plastic bottles turning it into a ... (use your imagination: egg cartons for art and crafts...)

## RECYCLE:

- ✓ I separate plastic, paper, glass, organics and batteries in the corresponding garbage bins according to their colour to avoid contaminating the nature (rivers, seas, atmosphere...)
- ✓ I NEVER throw garbage on the street.
- ✓ I always collect my dog's waste when I go to the street / to the park.
