#### III. Choose the right words to complete the passage.

Studying an (1)\_\_\_\_\_ degree in Vietnam is the best choice for most students after finishing secondary school. First of all, requirements to get (2)\_\_\_\_\_ and colleges' admission are not too difficult. After the (3)\_\_\_\_\_ baccalaureate, students can have several (4)\_\_\_\_\_ to choose. Once they fail a school, they may get into to another which accepts lower test score. Second, there are quite a lot of (5)\_\_\_\_\_ and good policies for students with good academic results or the disadvantaged. Moreover, most of universities and colleges are now credit-based so students have more free time to do what they like, whether it is studying or working part-time. Last but not least, students graduated from a prestigious university usually have higher chance of getting a better job. All those reasons make universities and (6)\_\_\_\_\_ become the best destination for students after secondary school.

- |                     |                     |                 |
