

Hi John,

I just want you to know that I (go)..... to Bali with my family for Tet holiday. It (be)... a four-day trip and it (be) fantastic! The weather (be) hot and humid.

On the first day, we (visit) some of the well-known temples around town such as Tanah Lot, Ulun Danu and Tirta Empul. I (take) a lot of photos there. The architecture of these temples (be) completely different from what we usually (see)..... in Vietnam. On my second day, we (go) to the Monkey Forest because my brother (love)them so much. Then in the evening, we (see) a cultural dance show and (eat) a lot of street food in the nearby night market. On the third day, we (decide) to book a one-day tour to Nusa Penida. I (feel) seasick at first but luckily the beach (be) extremely breathtaking that I (forget) about tiredness. Finally, we (spend) the whole fourth day at a local spa and (buy) a lot of souvenirs.

How about you? How (be) your holiday?you (do) anything exciting?

Liz
