HURRICANE!

Do you like storms? This man likes storms. He's flying into a hurricane with his camera.

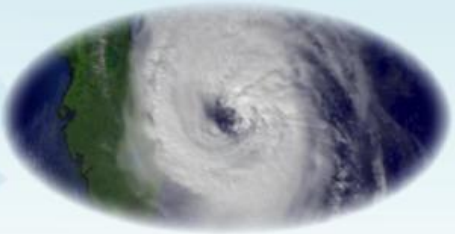

What is a hurricane?

A hurricane is a big storm. There's a lot of wind and a lot of rain. The storm goes round in a big circle. It can knock down trees and houses. There are big waves on the sea, too.

What's the eye of a hurricane?

The eye is the centre of the hurricane. It isn't windy and rainy there. Can you see the eye of the hurricane in the photo?

When are there hurricanes?

There are hurricanes in the summer and the autumn.

Read and answer. *True* or *false*?

1 The man with the camera likes storms. ☐
