

Coloca las partes de la división

DIVIDENDO

DIVISOR

COCIENTE

RESTO

Diagram illustrating the parts of a division operation:

$$\begin{array}{r} 2572 \\ 1722 \\ 1 \end{array} \quad \begin{array}{r} 3 \\ 857 \end{array}$$

Arrows indicate the placement of the parts into the labels above:

- The dividend (2572) is placed in the **DIVIDENDO** box.
- The divisor (1722) is placed in the **DIVISOR** box.
- The quotient (3) is placed in the **COCIENTE** box.
- The remainder (1) is placed in the **RESTO** box.
